Public Access Fees by Jeanne Charn and Sheryl :

This matter is before the Court upon the application and request made by the Administrative Office of United States Courts on behalf of Jeanne Charn and Sheryl Serreze (the "Applicants") for exemption from the fees imposed by the Electronic Public Access Fee Schedule adopted by the Judicial Conference of the United States Courts. The request relates to a study to assess the impact of BAPCPA on the availability of pro bono legal services in bankruptcy. The Court finds that the Applicants have demonstrated that an exemption is necessary in order to avoid unreasonable burdens and to promote public access to information.

Accordingly, the Applicants shall be exempt from the payment of fees for access via PACER to the electronic case files maintained in this Court, to the extent such use is incurred in connection with the project described in the attached letter. The Applicants shall not be exempt from the payment of fees incurred in connection with other uses of the PACER system in this Court.

Additionally, the following limitations apply:

1. This fee exemption applies only to the Applicants, and is valid only for the purposes stated above.
2. This fee exemption applies only to the electronic case files of this Court that are available through the PACER system;
3. By accepting this exemption, the Applicants agree not to sell for profit any data obtained as a result of receiving this exemption.
4. This exemption is valid from the date of this order through September 30, 2008.

This exemption may be revoked at the discretion of the Court at any time. A copy of this Order shall be sent to the PACER Service Center.

Dated: New York, New York  
July 2, 2008
